WINTER 2025

THE BASICS OF 403(b) AND 457(b) PLANS

What is a 403(b) or 457(b) plan?

A 403(b) and/or 457(b) plan allows you to save for retirement on a tax-deferred basis. Your contributions are voluntary, and you can choose the amount based on your retirement goals.

For more specific information on your employer's plan, you can reference the Universal Availability, which can be found on your employer's page at:

<https://www.omni403b.com>

Why contribute to a 403(b) or 457(b) plan?

Although you may have a pension plan, that might not be enough to sustain you through retirement. The sooner you start contributing to a 403(b) or 457(b), the more you can boost your retirement income.

How do I start contributing?

STEP 1

RESEARCH AND CHOOSE AN INVESTMENT PROVIDER

Find the list of authorized investment providers on your Plan Sponsor's (employer's) web page at: <https://www.omni403b.com>
Review and research your options.

STEP 2

OPEN AN ACCOUNT WITH YOUR SELECTED INVESTMENT PROVIDER

Contact your selected investment provider and establish an account. You **must** open an account with an investment provider before moving to Step 3.

STEP 3

COMPLETE AND SUBMIT A SALARY REDUCTION AGREEMENT

Choose the amount you want to contribute each pay period, and fill out the online Salary Reduction Agreement available online. You can find additional information on your employer's specific page at: <https://www.omni403b.com>

CONGRATULATIONS!
