# District Substance Use Increase- Factors

In 2021, Governor Murphy signed the law for the legalization of Marijuana and Hashish for Recreational Use. Since then, thirty-five (35) Medicinal and Recreational Dispensaries are actively operating in New Jersey, and the number is increasing.

- **Wide variety of E-Cigarettes/Vapes Products**
  - Different shapes, sizes, styles and colors are easy to conceal and often difficult to detect
- **Various Types of Products Enable Use of Illicit Drugs**
  - Disposable, Pods, Mods, Box Mods, Pens, Nicotine Vapes and Cannabis/CBD Vapes

## 2022- (NYTS)- National Youth Tobacco Survey

More than 1 in 10 middle and high school students (3.08 million) reported using a tobacco product in the last 30 days. 16.5% of high school students and 4.5% of middle school students. Most commonly used product was the E-Cigarette/Vape.

# Responding To Increased Substance Abuse

- Continued **education of students** focused on the dangers and negative impact of substance abuse
- **Increased visibility of School Security and staff supervision** in hallways during school hours
- **Frequent checks of all areas of the building** throughout the day to deter Substance Use or Vaping and possession by our students
- **Focused checks on restrooms**, stairwells and other areas that have been identified and associated with Substance Use or Vaping.
- **Heightened awareness** for students exhibiting signs of Substance Use during school hours
- **Information sharing** between Administrators, School Security, and School Resource Officers to identify concerns and deter these behaviors in our schools
