

Preschool FAMILY NIGHT!

Problem Solving for Preschoolers!

Wednesday October 22, 2025

From 5:30-7pm.

Lucy Holman Elementary School
125 Manhattan St
Jackson, NJ 08527

Want to help your child handle everyday challenges with confidence and calmness?

Join us to learn about the Problem Solving Kit – a practical, easy-to-use tool designed to help families build strong problem-solving skills at home.

This kit contains the same visuals and skills used in the classroom to help build on skills your child is familiar with so they can use them at home!

RSVP by October 14, 2025

Kids become better problem solvers when we ask them to solve problems.

eXSTEMsions

First 50 people will get an at home problem solving kit.

Promoting Problem Solving Encourages,

Simple steps for tackling big emotions
Tools for encouraging positive decision-making
Fun, interactive strategies for kids and parents alike.

Perfect for parents, guardians and anyone who supports children's growth at home!
